

## "Farmer Refuted" from Hamilton

- What does each character want? How do you know?
- What does Hamilton think of Seabury?
- How does this song connect to what you already know about loyalists and revolutionaries?

*[Seabury:]*

Hear ye, hear ye! My name is Samuel Seabury  
And I present "Free Thoughts on the Proceedings of the  
Continental Congress!"

Heed not the rabble who scream revolution  
They have not your interest at heart

*[Mulligan:]*

Oh my God. Tear this dude apart

*[Seabury:]*

Chaos and bloodshed are not a solution  
Don't let them lead you astray  
This Congress does not speak for me

*[Burr:]*

Let him be

*[Seabury:]*

They're playing a dangerous game  
I pray the king shows you his mercy  
For shame, for shame...

*[Hamilton (Seabury):]*

Yo!

He'd have you all unravel at the (Heed not the rabble)  
Sound of screams but the (Who scream)  
Revolution is comin' (Revolution, they)  
The have-nots are gonna (Have not your)  
Win this (Interest)  
It's hard to listen to you with a straight face (At heart)  
Chaos and bloodshed already haunt us (Chaos and  
bloodshed are not a)  
Honestly, you shouldn't even talk (Solution)  
And what about Boston? Look at the cost, n' all that  
we've lost n' you talk (Don't let them lead you astray)  
About Congress?! (This Congress does not speak for me)  
My dog speaks more eloquently than thee!  
(They're playing a dangerous game)  
But strangely, your mangle is the same  
(I pray the king shows you his mercy)  
Is he in Jersey?  
(For shame)  
For the revolution!  
(For shame!)

*[Company:]*

For the revolution!

*[Seabury:]*

Heed

*[Hamilton:]*

If you repeat yourself again I'm gonna

*[Seabury/Hamilton:]*

Scream

*[Hamilton:]*

Honestly, look at me, please don't read!

*[Seabury:]*

Not your interests

*[Hamilton:]*

Don't modulate the key then not debate with me!  
Why should a tiny island across the sea regulate the  
price of tea?

*[Burr:]*

Alexander, please!

*[Hamilton:]*

Burr, I'd rather be divisive than indecisive, drop the  
niceties

*[Ensemble:]*

Silence! A message from the King!

A message from the King!

*[Full Company:]*

A message from the King!

“YOU'LL BE BACK” from Hamilton

- Which historical figure is singing? How do you know?
- What is he singing about? Which historical events are referenced?

[Verse 1: ]

You say  
The price of my love's not a price that  
you're willing to pay  
You cry  
In your tea which you hurl in the sea  
when you see me go by  
Why so sad?  
Remember we made an arrangement  
when you went away  
Now you're making me mad  
Remember, despite our  
estrangement, I'm your man  
You'll be back, soon you'll see  
You'll remember you belong to me  
You'll be back, time will tell  
You'll remember that I served you well  
Oceans rise, empires fall  
We have seen each other through it  
all  
And when push comes to shove  
I will send a fully armed battalion to  
remind you of my love!

[Chorus: ]

Da da da dat da dat da da da ya da  
Da da dat dat da ya da!  
Da da da dat da dat da da da ya da  
Da da dat dat da...

[Verse 2:]

You say our love is draining and you  
can't go on  
You'll be the one complaining when I  
am gone...  
And no, don't change the subject  
Cuz you're my favorite subject  
My sweet, submissive subject  
My loyal, royal subject  
Forever and ever and ever and ever  
and ever...

[Verse 3:]

You'll be back like before  
I will fight the fight and win the war  
For your love, for your praise  
And I'll love you till my dying days  
When you're gone, I'll go mad  
So don't throw away this thing we had  
Cuz when push comes to shove  
I will kill your friends and family to  
remind you of my love

[Chorus: ]

Da da da dat da dat da da da ya da  
Da da dat dat da ya da!  
Da da da dat da dat da da da ya da  
Da da dat—  
Everybody!

[Chorus:]

Da da da dat da dat da da da ya da  
Da da dat dat da ya da!  
Da da da dat da dat da da da ya da da da da  
Dat dat da ya da!
